\$5 Roaming	138
Pay As You Go	139
Prepaid Roaming	139
Cruising	140

2. A Handy Checklist

Below is a list of key things to consider before you travel, and during your trip.

Each of these items is discussed in more detail throughout this document, with the relevant Chapter/s shown for each item.

- Understand the International Roaming offering/s from your Telco for your destination/s, in terms of availability, cost, limits, etc. (*Chapters 1-5, Appendices A-C*)
- Know how to control International Roaming and how to choose which Roaming option should apply via the Telco's App (*Appendices A-C*)
- Know how to control International Roaming, Mobile Data and Phone/SMS connectivity using your devices' Settings. (*Chapter 7-8*)
- Decide if you need an alternative mobile service (or services) while you travel– and purchase in advance if needed. (*Chapter 6*)
- Consider if it is worth changing your physical SIM to an eSIM before you go (if phone caters for eSIMs) (*Chapters 6-7*)
- Check out if Wi-Fi Calling is available while on home Wi-Fi Network, so that you know how to detect if it is available when you travel (*Chapter 5*)
- Understand the dangers of Public Wi-Fi and how to stay safe – and install a VPN to ensure that safety (*Chapter 19*)
- Prepare your devices by turning off mobile options that could unintentionally use data (unless you are not concerned about data usage) (*Chapter 8*)
- Make sure your device has enough storage for all your travel data, apps, photos – delete (or offload) unwanted apps/data (*Chapter 9*)
- Pre-download necessary apps, translations, maps, city guides (*Chapter 20*)
- Get the apps associated with all your accommodation, bookings, tickets, etc (*Chapters 13, 14, 15, 16, 17, 19, 20, 21*)
- Get your itinerary into digital format – all stored so that internet is not required (offline storage) (*Chapter 15*)
- In advance, test out the messaging and internet calling apps you will be using with the key people with whom you will need to have contact while travelling (*Chapter 10-12*)
- Pack those travel accessories, adaptors, charges, cables – including SIM pin (extractor) if needed (*Chapter 18*)
- Money – will you use a travel debit card? Get the app/s, know how to load currency, consider pre-loading when exchange rate is good. Get a currency conversion app. (*Chapter 21*)

2. A Handy Checklist

- Think about your travel photos – will you be using iCloud? Do you have enough storage on your device and in iCloud? (*Chapter 22*)
- Pre-load entertainment (movies, series, podcasts, books) (*Chapter 23*)
- Make sure **Find My** is enabled – and know how to find/lock/erase a lost device (*Chapter 19*)
- Make sure you know your Apple ID and password - in case you need to access Find My from someone else's device. (Chapter 19)
- Get those passwords into a form that is paperless! And make sure your iPad/iPhone has a good Passcode. (*Chapter 15*)
- Add Medical ID information to your iPhone (including emergency contacts) (*Chapter 19*)
